### SPECIFICATION

<b>Appearance</b>	Blue liquid
<b>Odour</b>	Mild soap
<b>pH</b>	6.5 typical
<b>Viscosity</b>	Viscous

### PACK SIZES

A range of convenient to use pack sizes is available: 500ml and 5 Litre clear HDPE containers.

### DIRECTIONS FOR USE

Approximately 1-2ml should be applied directly to wet hands. Hands should be rubbed thoroughly to produce a rich lather. BluBac Bactericidal Liquid Hand Soap should then be rinsed off with clean water and hands dried thoroughly. In areas where hygiene is of utmost importance, the use of HandiSan as a post wash alcohol disinfectant is also strongly recommended.

Store in original container in well ventilated cool dark area.
